Mia Lassiter is thrilled to finally put her artistic skills to use working for her aunt's interior design shop in her hometown of East Beach. While renovating an old mansion overlooking stunning Lake Haven, she encounters a scruffy but attractive man named Brennan—the owner's son. She doesn't realize this sexy recluse is actually Everett Alden, the world-famous rock star in hiding who's nursing his own artistic and personal crises.

As their personalities clash, tension simmers between the struggling artist and jaded musician, and their time spent alone together in the gorgeous old house only serves to turn up the heat. Soon, Mia and Brennan's creative passions boil over to inspire passions of another kind...

But reality comes crashing in when Mia's celeb-obsessed cousin discovers Brennan's true identity—and reveals it to the world. As paparazzi swarm the mansion, Brennan is thrust back into his rock star lifestyle. Will Mia lose her soul mate just when she's finally found him? Can their love survive the glaring spotlight?
