Critical Incident Troy Blackford

A wave of inexplicable vandalism from the city's homeless sweeps the town - but the more the local police force tug on the thread of what might be behind this strangely coordinated effort, the more their understanding of events unravels. Soon, a group of officers are swept into a dark and deadly underground world of murder and medical supplies, chemicals and corruption, confusion and confectioner's gel. A head-scratching mystery quickly becomes a heart-pounding action thrill ride filled with twists, turns, and maybe even a Pez dispenser supercomputer or two. With lives in the balance, what will be the outcome of the city's most 'CRITICAL INCIDENT' to date? ----- First, strange markings appear all over town, marks that turn out to be made by homeless people working in exchange for food. Then, women all over the city begin to disappear. Next, supplies are reported missing. Then, corpses start being found. What is going on? The more they look for answers, the more two officers of the city's police force begin finding fresh, murderous questions. Swiftly, their search leads to a deadly, 'CRITICAL INCIDENT.'
