Recipes for Disaster: An Anarchist Cookbook CrimethInc. Workers Collective

Three years in the making, *Recipes for Disaster* is the long-awaited follow-up to the CrimethInc. collective's notorious first book, *Days of War, Nights of Love*. This 624-page manual complements the romance and idealism of that earlier work with practical information and instruction. Over thirty collectives collaborated in testing, composing, and editing the book's 62 sections, which range from Affinity Groups, Coalition Building, and Mental Health to Sabotage, Squatting, and Wheatpasting. These are illustrated with extensive technical diagrams and first-hand accounts, and prefaced with a thorough discussion of the diverse roles direct action can play in social transformation. If you're looking for a tactical handbook for revolutionary action, look no further.

This new *Second Edition* adds twenty-one new photos and a new introduction as well as an entirely redesigned 7 x 10 inch format with photos and illustrations 80% and 180% larger, respectively, than the original edition. 400 pages at the same old price.
