My wife had been accused of having an affair with a black man. When I confronted her about it every thing turned from bad to worse.

In fact, the thought of this well hung guy was driving me insane with jealousy. I got the shock of my life when he told me. "I'm about to have your tasty wife, and maybe you're going to watch." I froze, how could she do this to me? She was actually going to cheat right in front of me. I thought maybe she was trying to make me jealous and this was a prank that they set up to get a rise out of me. She wanted me to submit to her disgusting desires.
