The most innovative, unconventional, and profoundly practical career guide available?newly revised and updated With today's economic uncertainties, millions of Americans realize they must seize control over their own career paths. They want work that not only pays the bills but also allows them to pursue their real passions. In this revised edition, Laurence Boldt updates and revises his revolutionary guide to meet the challenges of the twenty-first century workplace. The first part of this book helps readers to identify the work that they really want to do, while the second provides practical, active steps to finding or creating that work. Zen and the "Art of Making a Living" goes beyond inspiration, providing a proven formula for bringing creativity, dignity, and meaning to every aspect of the work experience.
