An Old-Fashioned Girl, Polly Milton, a 14-year-old country girl, visits her cousin Fanny Shaw and her wealthy family in the city for the first time. Poor Polly is overwhelmed by the splendor at the Shaws' and their urbanized, fashionable lifestyles, expensive clothes and other habits she has never been exposed to, and, for the most part, dislikes. Fanny's friends reject her because of her different behavior and simple clothing, and Fan herself can't help considering her unusual sometimes. However, Polly's warmth, support and kindness eventually win the hearts of all the family members, and her old-fashioned ways teach them a lesson. Eight Cousins Each chapter describes an adventure in Rose's life as she learns to help herself and others make good choices. Rose must define for herself her role as the only woman of her generation in her family and as an heiress in Boston's elite society. Motherless for most of her life, 13-year-old Rose looks to her many aunts, her friends, and the housemaid Phebe as feminine role models. At the same time, she's suddenly confronted with a male guardian and 7 male cousins, none of whom she knows well, after losing her beloved father, the only male in her life. Rose in Bloom The story begins when Rose returns home from a long trip to Europe. Everyone has changed. As a joke, Rose lines up her seven cousins to take a long look at them, just as they did with her when they first met. The youngest, Jamie, accidentally mentions that the aunts want Rose to marry one of her cousins to keep her fortune in the family. Rose is very indignant, for she has decided ideas about what her future holds. From the beginning, she declares that she can manage her property well on her own and that she will focus on philanthropic work. Charlie has already decided she is marked out for him, with the approval of his mother. Jack and Jill
