**Constitutional Torts** Sheldon H. Nahmod, Michael L. Wells, Thomas A. Eaton

This casebook emphasizes important circuit court decisions together with relevant Supreme Court case law. This enables students to see how principles articulated in Supreme Court decisions are implemented by lower courts. **Constitutional Torts** also addresses affirmative duties, constitutional tort actions in state courts, and attorney's fees. Further, this book is organized around the statutory language of section 1983, thereby driving home the crucial distinction between prima facie cases and constitutional tort immunities and defenses. The Second Edition offers exceptionally comprehensive coverage of remedial issues. It provides a thorough treatment of compensatory damages, punitive damages, injunctive relief, and attorneys' fees. These materials not only explain the basic doctrine, but explore their strategic implications on the conduct of litigation.
