Food Court Druids, Cherohonkees and Other Creatures Unique to the Republic Robert Lanham

With a gimlet eye and scathingly accurate descriptions, *Food Court Druids, Cherohonkees, and Other Creatures Unique to the Republic* is a hilarious collection of newly classified yet instantly recognizable archetypes sure to enter the mainstream lexicon. From the office TGIF (the overgrown frat boy in the office who always says "party") to the Lieberal (a Democrat with Republican sympathies), from Uncle Tomatoes (Italians who hate The Sopranos) to Cherohonkees (white Baby Boomers who dress like Native Americans), each profile offers a detailed description of everything from sex appeal and favorite pick-up lines to popular names and habitats. The result is both a brilliant parody and thorough outing of just about every neurosis, attribute, and personality type there is.
